Comas Munich Cutlery

A design that brings leading-edge looks and classic lines together in a versatile set. The rounded ends of the knives and the nearly straight lines of the spoons are details that add up to a unique collection. The handles widen and narrow with surprising subtlety, creating a silhouette with strong character.

Saturnia

Starting from humble roots in the 1960s, Saturnia has since become a major producer of quality porcelain. Sold in 13 countries worldwide, and producing 14 million individual pieces every year, Saturnia is now known for its high quality, heavy duty, stylish tableware that is specially designed to stand up to the demands of the catering industry. And, being made from sustainable materials, Saturnia's collection is not only good for livening up your tables, but for the planet too.

Mineral

OLYMPIA
MINERAL

Olympia Mineral combines the resilience of lightweight porcelain with the stony tones of nature. The seductive dappled pattern makes each piece entirely unique. No matter what you serve, the soft grey backdrop will exaggerate colours and tones, leaving guests impressed.

MIX & MATCH

MIX & MATCH

MIX & MATCH

Choose from our stylish collection of table tops in a range of colours, shapes and sizes. These can be easily mixed and matched with our table bases to get the look you want. Table tops are pre-drilled to match the drill hole pattern of our table bases. Fixing screws supplied with table tops.

Step 1 - Choose your top

Choose your table top, style and size from our full range of tops on pages 149-153. Table tops for indoor or outdoor use are available.

Step 2 - Select your colour

Select your table top colour.

Step 3 - Choose your base

Choose from our wide range of table bases in different colours, heights and designs. See pages 148-149 for our range of bases.

Step 4 - Assemble

Once your order has been delivered:

- Unpack all the parts.
- Place table top upside down on the floor.
- Place the base upside down onto the table top.
- Align the pre-drilled holes in top and base.
- Fix the screws supplied through the table base and into the table top to secure.

(Assemble base according to instructions supplied.)

A wide choice of designs and sizes. The table tops remain beautiful for a long time and are weather and UV-resistant, heat and corrosion resistant. Combines perfectly with the Bolero table legs.

Glassware Key

With environmental concerns increasingly important, we offer a wide range of eco-friendly food packaging. Our simple to use key identifies if a product is recyclable or compostable.

Recyclable

Widely accepted for dry recycling.

Compostable

Products are extremely environmentally friendly as they are capable of biodegrading to soil/compost within 90 days. Can be recycled together with food waste.

Panini Paper

100 sheets of GN 1/2 sized paper for heating food in contact grills, such as paninis and toasted sandwiches. Heat safe.

| Ref | Description | Qty |
|--------------|-------------------|-----|
| GH038 | 174(W) x 280(L)mm | 100 |

Eazyzap LED Fly Killers

The Eazyzap LED fly killer is a fantastic choice for pest control where effectiveness and efficiency are a priority. Fitted with long-lasting UV LED bulbs, the fly zapper quickly attracts flying insects into the unit to rapidly remove unwanted pests, while the collection drawer is easily removed for fast cleaning. The long-lasting LED bulbs are up to 50% more efficient than fluorescent alternatives, and have a rated lifespan of over 10,000 hours - meaning far fewer changes than traditional insect killers.

- Removable Catchment Tray
- Free-Standing or Ceiling Mounted
- Long-Lasting Energy Saving LED Bulbs

Specification
FD496 220-240V. 9W. Size(mm):272(H) x 350(W) x 86(D).
FD497 220-240V. 14W. Size(mm):320(H) x 500(W) x 86(D).
FD498 220-240V. 20W. Size(mm):320(H) x 650(W) x 86(D).

Wraparound Safety Glasses

Get effective eye protection without limiting your field of vision. These safety glasses feature a wraparound design that is as practical as it is stylish - it increases coverage while maintaining maximum visibility at all times. The polycarbonate lenses are scratch-resistant too, so they'll last longer without picking up marks or damage that may affect vision.

| Ref | Desc |

Buffalo UVC Steriliser Cabinets

These sterilising cabinets act like a powerful germicidal chamber, using clinically tested UVC light at a specific wavelength (around 254nm) to eliminate bacteria and viruses without the need for harsh chemicals or temperatures. Combined loads can be put into the cabinets, so you can sterilise different items at the same time.

| Ref | Desc |
|-------|----------------------------|
| FS130 | Countertop 43.5Ltr 15W |

Buffalo 15 Knife Sterilisation Cabinet

Stainless steel knife cabinet designed to reduce cross contamination by using UV light to sterilise. Features adjustable timer and clear door with lock. Wall mounted.

| Ref | Description |
|-------|------------------|
| DB162 | 15 Knife Cabinet |

VOGUE Stainless steel containers

Vogue's stainless steel gastronorms are a true catering essential. They come in a wide range of sizes to suit every need, with gauges that span from 0.6 — 0.8mm. Standard or perforated options are also available. Designed to meet almost all catering needs, they are suitable for cooking, storage, reheating, transportation, blast chilling and presentation — and can even be taken straight from the cooker, to the freezer, to the bain marie.

Vogue Gastronorm Pan Racks

Stainless steel. Pans sold separately.

Vogue Stainless Steel Stand

Free-standing stainless steel frame. Suitable for holding 6 x 1/9 or 4 x 1/6 gastronorm containers. Gastronorm pan sets include lids. Containers sold separately.

Mercer Purple Allergen Safe Utensil Set

The Mercer safety kit offers an effective way of keeping hygiene levels high and stress levels low. The all-purple colour helps you keep utensils stored and used for the same food groups, reducing the risk of hygiene related issues. Boasting a large number of utensils along with a lockable storage box, this set is perfect for many different cooking techniques.

| Ref | Description |

Vogue Stainless Steel Sinks

Fantastically priced 600mm deep units with raised lip all around to help prevent spillage and items slipping off and rear upstand which keeps items from falling behind the sink. Angled draining rack ensures water runs back to the sink to drain away, preventing pooling, speeding, drying and improving hygiene. Adjustable feet allow stable positioning on uneven surfaces whilst strong undershelf provides vital undersink storage for cleaning equipment and chemicals. Supplied with stand, shelf and waste. Taps sold separately.

- 1.2mm Stainless Steel Top
- Galvanised Steel Undershelf & Legs
- 900mm High (965mm with Castors) with 60mm Upstand
- 250mm Deep Bowls
- Hygienic & Easy to Clean
- Flat Packed for Easy Self-Assembly

TABLES & WASH BASINS / KITCHEN FURNITURE & TRANSPORT

IMC Mobile Hand Wash Station

Promote good hygiene with the UK-made IMC mobile hand wash station. A fully portable unit, the station can be positioned wherever its needed - making it great for outdoor events or areas without access to mains water. The easy-fill internal tank can hold up to 20 litres of water - that's around 200 washes per fill. Dispensing water is easy too, thanks to the hands-free base-mounted foot pump. On top, the station features a handy splashback and soap/paper towel holder.

| Ref | Description |

Buffalo Hands-Free Manual Fill Water Boilers

The Buffalo manual fill water boilers are the perfect choice for mobile caterers, B&B's, guesthouses, village halls and offices. With its clever hands-free design, there's no need for any contact with the urn - simply position a cup or mug below the sensor and the boiler will dispense. This will help to limit the spread of contamination, and promote a safer, more hygienic operation. The unit also offers adjustable temperature control, so you can dispense piping-hot, near-boiling water for traditional teas, or lower-temperature water for specialist teas and coffees.

- Hygienic Hands-Free Operation
- Temperature Range 30°C to 98°C
- Concealed Elements for Easy Cleaning
- Keep Warm Function
- Boil Dry Protection
- Water-Ready Neon Light

Specification
All Models: 220-240V. 2.6kW. 11.3A. Temperature range: 30°C to 98°C.

Samsung Commercial Microwaves

Cook, reheat and defrost with ease using Samsung's commercial microwaves. Made with a 26Ltr cavity which is large enough for plated meals, as well as non-metallic gastronorm pans up to 2/3 GN size. The manual models couldn't be easier to operate - simply set the time and power level and close the door. The programmable units feature simple-to-use, front-mounted digital controls, giving you the flexibility to quickly start a three-stage cooking programme at the push of a button, as well as adding a quick extra 20 second blast if required. And thanks to the repeat function, you can quickly cook multiple items one after another without having to reset programmes. 368(H) x 464(W) x 557(D)mm.

CABINET FRIDGES & FREEZERS / REFRIGERATION & FREEZING

True 538Ltr Cabinet Fridge or Freezer

Lockable units with over-sized, factory-balanced system for improving temperature recovery times, making the cabinet cooler quicker. High density closed cell foam insulation, coved corners for easy cleaning and internal light. Supplied with castors for easy positioning (require assembly, installation service available). CFC-free. Curbside delivery only.

- 350Ltr Net Capacity
- High Energy Efficiency
- Stainless Steel Door & Front
- True "HC" Refrigeration System
- Fan Keeps Dirt, Dust & Debris Out of Condenser
- 4 x PVC Coated Adjustable Shelves

Specification
CC224 Model: T-23-HC. 230V. 560W. 2.4A Single phase. Temperature Range: 0.5°C to 3.3°C. Max Ambient Temperature: 35°C. Refrigerant: R290. Annual Energy Consumption: 489kWh/annum. Climate Class: 5. Energy Rating: C. Capacity: 588Ltr. Net Capacity: 438Ltr. Shelf Size: 582(W) x 591(D)mm. Weight: 112kg.

Polar Single or Double Door Fridges & Freezers

Cabinets with 50/50 split stable doors. By placing more regularly used items at the top and only opening half of the door, cold air falls to the bottom of the unit and re-circulates when the door is closed, helping the unit return to set temperature quicker and more efficiently. For light to medium duty commercial kitchen and catering environments. Lockable castors.

Polar U-Series Counter Fridges & Freezers

Premium-quality, heavy-duty units for the most demanding of environments. Fridges feature controllers that can be switched between meat (-2°C to +2°C), fish (-1°C to +1°C) and general storage (+1°C to +4°C) at the touch of a button. The low-energy internal LED lights make it easier to find produce, while the patented electronic expansion valve aids quicker cool downs and faster recovery times. The external finish uses a precision 'V' cutting process for clean and precise lines. Units feature anti-tilt, E-shaped shelf supports that allow GN pans to be hung underneath - ensuring all available space is fully utilised.

- Full 304 Stainless Steel
- Monoblock Design for Easy Servicing
- Forced-Air Cooling
- Self-Cleaning Condenser
- Automatic Defrost

COUNTER FRIDGES & FREEZERS / REFRIGERATION & FREEZING

Polar U-Series Counter Fridges & Freezers

Premium-quality, heavy-duty units for the most demanding of environments. Fridges feature controllers that can be switched between meat (-2°C to +2°C), fish (-1°C to +1°C) and general storage (+1°C to +4°C) at the touch of a button. The low-energy internal LED lights make it easier to find produce, while the patented electronic expansion valve aids quicker cool downs and faster recovery times. The external finish uses a precision 'V' cutting process for clean and precise lines. Units feature anti-tilt, E-shaped shelf supports that allow GN pans to be hung underneath - ensuring all available space is fully utilised.

- Full 304 Stainless Steel
- Monoblock Design for Easy Servicing
- Forced Air Cooling
- Self-Cleaning Condenser
- Automatic Defrost
- Lockable Door with Integrated Handle
- Lockable Heavy-Duty Castors
- 1/1 GN Compatible
- Climate Class 5
